NCSEA’S PETITION TO INTERVENE

Pursuant to North Carolina Utilities Commission (“Commission”) Rules R1-5, R1-7, and R1-19, the North Carolina Sustainable Energy Association (“NCSEA”) hereby petitions to intervene in the above-referenced docket. In support of this petition, NCSEA states as follows:

1. NCSEA is a non-profit corporation formed under the laws of North Carolina, with individual, business, and government members located across the State. NCSEA’s mission is to promote a sustainable future through the use of renewable energy and energy efficiency programs. NCSEA seeks to achieve its objectives by advocating for public policies that encourage the responsible technological and market development of renewable energy and energy efficiency, including all aspects of community solar, demand side management, a smart grid, energy storage, and vehicle electrification.

2. NCSEA was actively involved in the negotiations that led to House Bill 589 and Session Law 2017-192, which adopted G.S. 62-126.8. In addition, many of NCSEA’s members are interested in subscribing to community solar energy facilities or interested in potentially developing the community solar energy facilities that will be subject to the requirements of G.S. 62-126.8. As such, NCSEA has an interest in ensuring that the statute is implemented in accordance with the intent of the legislature.

3. NCSEA's participation in this docket will bring critical insight, knowledge, and understanding to the proceeding.

4. NCSEA's address is 4800 Six Forks Road, Suite 300, Raleigh, NC 27609. All correspondence related to this proceeding should be addressed to:
